# Aerospace & Aviation Forum

## SCEDC

South County Economic  
Development Council

**Thursday, May 11, 2017**

**8:30 - 11:00 a.m.**

**(Registration begins at 8:00 a.m.)**

**Martin Luther King Jr. Community Center**

**140 E. 12th Street**

**National City, CA 91950**

South County Economic Development Council (SCEDC) is part of a regional effort to develop a resilient defense supply chain in the San Diego region.

Please join us as we discover ways to encourage growth of the Aerospace & Aviation industry. Industry leaders will share:

- Information about their company
- Missed opportunities and challenges
- How to build this industry in the San Diego region
- How to make this industry more resilient

**This event is provided at no cost thanks to our sponsors:**
